3, 4, & 7 Night Fishing Packages in Loango National Park

March 31st 2020 – April 01st 2021

These packages intend to offer a choice of the following activities spread over 3, 4, or 7 nights, or longer if desired.

The point where the lagoon empties into the ocean contains some of the largest game fish in the world, making it an ideal spot for fishing - and only 10 minutes by boat from Loango lodge! The smaller lagoons in the park are great for fly fishing and exclusively for Loango Lodge clients.

In the addition of traditional night fishing with lures:

- Beach fishing with baits, mainly by night.
- River mouth fishing night or day, with bait, or lure, or both.
- Classical drift on the lagoon with medium size tackle (40/50 lbs) with lure during the day.
- Light jigging with micro jig or paddle tail in the lagoon night or day.
- Light tackle (15/25 lbs) on the mangrove during the day.

BEST SEASON

September to April

The fishing is generally best in the rainy season (September – April), peaking from November to February (It is at these times you have the possibility to catch a Tarpon that weighs over 100kg!), with a high density of fish feeding around the mouth of the lagoon. This amazing species richness during peak season offers the opportunity to potentially catch any of the species that are listed below, on fly, except for bull sharks, guitar sharks and catfish (caught mainly on bait).

Other popular species are sharks, rays, jacks, snappers, barracuda,

Additional Activities

In addition to the above fishing types it is also possible to pay supplements when at the lodge to hire a boat and skipper for offshore fishing - pelagic, and Inshore Fishing just outside the river mouth. If you want to buy additional standard fishing hours this is also normally available.

As well as fishing you will have the opportunity to partake in the following safari excursions (additional payments required):

- Boat safaris in the lagoons & rivers. Full or half day.
- 4x4 vehicle safaris in the savannas and beaches. Half day.
- Forest Hikes. Half day.
- Gorilla Trekking. Full day.
- Kayaking in the lagoons & rivers. Half day.
- Night time crocodile tour.
- Whale watching. Half day (July to September).
